

SMILES INDIA VIDYASHRAM

ANNUAL REPORT 2018-2019

MAJOR EVENTS

Foundation program:

Foundation program for students has been conducted on 2st April, 2018. The program has been planned and organized in order to groom and train students for the next academic year. The children have been taught the basic fundamentals of all the subjects. We prepare our children by helping them to develop more interesting ways of presenting information in all their respective subjects. We also enhance students in problem solving and critical thinking which is very much needed in this fast developing world.

S. No	Subjects	Course
1.	Tamil	Generalized Grammar, Phonetics, LSRW training and practice
2.	English	Generalized Grammar, Phonetics, LSRW training and practice
3.	Math	Tables and Mental Math
4.	Science	Problem solving, Critical thinking, & Subject based Activity Learning
5.	Social	Subject based Activity Learning

Investiture Ceremony

The Investiture ceremony had been conducted on 7th July, 2018. It was a memorable event of the academic year which emphasized the credence of leadership. The students took up their positions as leaders and swore their liability and loyalty for the development of the school. It was enticing to behold our future leaders receive their badge and undertake their duties and responsibilities.

Kinder Admissions (2018-2019)

We celebrated Vijayadasami on 19th October, 2018. We inaugurated the children's' first step into education on this auspicious day. We received

Admissions for Kindergarten and began their education in the presence and with the blessings of god on Vijayadasami.

Assessments

We had conducted four Continuous and Comprehensive Assessments in our school. The main aim of CCA was to evaluate every aspect of the child during their presence at the school. CCA helps to reduce the exam pressure on the child during/before examinations as the student will have to sit for multiple tests throughout the year, of which no test or the syllabus covered will be repeated at the end of the year. Students Evaluation and PTMs had been conducted based on the results of these assessments.

Assessments conducted:

- | | |
|------------------|----------|
| * Assessment I | 06.08.18 |
| * Assessment II | 08.10.18 |
| * Assessment III | 13.12.18 |

Remedial Program

Every individual is unique with different IQ levels. Some students have the capacity to understand fast and memorize for long. Others have less picking capacity. As Teachers we are supposed to take care of each and everybody as per their specific needs. Weak students or slow learners require extra attention. In order to give special care and equal importance to the slow learners we had conducted remedial classes for all subjects after the school hours. The students who had difficulties in learning the concepts were taught in such a way that it would be more comprehensible and easy. With mutual cooperation the students tried to improve and achieve.

PTM

Parents Teachers Meeting had been conducted after the completion of all four Assessments. We invited parents in order to converse about students' evaluation, academic growth and the guidance rendered from the parents' side. The Scholastic and the Co-scholastic aspect of the Child's growth had also been discussed.

The Slow Learners had also written their exams with the question papers prepared according and the learning outcome was positive. It was because of the Remedial class conducted for them which helped them achieve. The parents of the slow learners had been happy about their children's improvement and gave many positive feedbacks.

PTM Assessment I	-	18.08.18
PTM Assessment II	-	27.10.18
PTM Assessment III	-	05.01.19
PTM Assessment I V	-	30.03.19

Belt Ceremony:

We also conducted the Belt Ceremony for the for the Karate students to promote them for the next level in Karate on Jan 24, 2019. The students proudly received their belts and certificates from the trained masters. The day signified that that the student had completed and learned all the skills associated to that **belt** level and that the students were ready to advance in their training.

Annual Sports day:

We celebrated the Second Annual Sports day on 02.03.19 and it was a great success. The starting point of all achievement is desire. If one has the desire to succeed, one surely will. With this in mind and to boost the morale of the students Smiles India Vidyashram held its Co-Scholastic domain Prize Distribution Ceremony on the Annual Sports Day with Medals, Trophies and Certificates in the school premises.

Kinder Carnival and Graduation Day:

Smiles India Vidyashram Kinder Carnival and Graduation Day were held on 06.04.19 in our school premises. The school grounds pulsated with scintillating music and lively crowd. Various game stalls and food stalls were the main attractions. Stalls that showcased their artistic and creative abilities through Face painting, tattoo, product stalls with eco-friendly products and innovative fun games kept the visitors captivated. It was also the time to Applaud and Reward the students for their sincere efforts during the

previous academic session. The school Honoured all its Achievers for having attained a sterling record in Scholastic domain with Trophies, Certificates and Saplings and the Proud Participants with Participation Certificates and Saplings.

The Parents as well enjoyed playing games conducted for them. The games conducted were traditional games like Uri Adithal, Sillambattam etc. They received attractive Prizes and Gifts from the school. Many cultural programs drama, dance, songs etc, were also conducted and the program was led by Kindergarten students who hosted the program. It was a fun and happy moment for both parents and the children.

The graduation day or the step up day was conducted on the same day. The students of K3 had been graduated to the lower primary. It was an exhilarating moment to witness our little nestlings' achievements.

Special / Thematic Assembly

Thematic assembly is a very essential routine of the school curriculum. It helps students develop confidence, positive energy, self-respect and more. We have conducted Special Assemblies for the events like Ramzan, Bakrid, Dr.A.P.J. Abdul Kalam's Remembrance Day, UNICEF, National Education Day and Child Rights Day. The objectives and motto of these special days had been effectively presented through skit, mime, song and speech.

With the view of making our students confident and moral citizens, we had conducted thematic assemblies weekly once. The students would give thought for the day, explanation for Thirukkural, proverbs and scientific information. The students had presented the topics like Punctuality, Kindness, Procrastination, Tolerance, etc.

CELEBRATIONS

Independence Day

The prime objective of celebrating Independence Day in school is to enkindle the spirit of patriotism in the hearts of the students. Our students celebrated this auspicious day by hoisting the national flag with reverence and honour. The students also expressed their gratitude by performing skit, patriotic dance, disguising like freedom fighters and giving nationalistic

speeches regards the sacrifice and the spirit of freedom. The students along with the Chief guest made the day eventful.

Janmastami

We had conducted **Janmastami** on **3rd Sep, 2018**. It was organised by the **Department of Kindergarten**. Our children had been prettily dressed up like Krishnas and Radhas and hosted the celebration by doing the compering and inviting the guests. It was a special day filled with devotion where our students

worshipped Lord Krishna and started the celebration. They also presented the life of Krishna through dance, song and many entertainments.

Ganesh Chaturthi

We celebrated Ganesh Chaturthi on 12th Sep, 2018. The celebration started with pomp and gaiety. The program began in a traditional way by chanting the slogans. The children showcased the life of Ganesha through skit, song and danced for the devotional songs. The students gathered and happily enjoyed the occasion.

Teachers' Day

Teachers play an important role in molding students' lives to become successful in career and business. Our children celebrated Teacher's Day to acknowledge the challenges, hardships, and the special role that teachers play in our lives. They paid their respect to the teachers by distributing greeting cards, performing dance, skits, songs and speech. The entire celebration was organized and carried out by the students as a team.

Diwali

The Diwali festival was celebrated in the school on 5th Nov, 2018. As the name suggest, the festival of light had been a wonderful day as our students enlightened the audience on the importance of the occasion and stressed on the significance of celebrating eco friendly Diwali. Many entertaining cultural had also been displayed by the students.

Children's Day

On this special day for children our teachers geared up to entertain our children by planning cultural. Our teachers danced, sang, enacted skit and distributed sweets to our children to acknowledge and appreciate them. The teachers let the students know about their value by the hard work and team work put in to make the day special and the program successful.

Christmas

The students and facilitators of Department of Kindergarten conducted the Christmas Celebration. The students of Kindergarten hosted the show by inviting the guest and the audience. The significance of the festival had been delineated through the enactment of drama which told the story of Jesus Christ. The students performed few dances and took part in choir. The celebration ended with the appearance of the Santa Clause who distributed sweets to all children.

Pongal

We celebrated Pongal in a traditional way. We had cleaned and decorated the farm near our school with flowers and sugarcane. We also built a hut using palm leaves and beautified the place with rangoli. Students of all grades participated and entertained the audience with the traditional dances like Barathanatiam, thappattam, oyilattam, garagattam, sillambattam etc. Many traditional games like Uri adittal and others were also conducted. The students and guest enjoyed the celebration to the fullest.

Training

We had conducted many seminars and workshops for our teachers. These seminars and workshops had been organized for the professional development of the teachers. Our only motto is to develop teachers individually and professionally so as to create healthy and students' friendly environment. We also encourage teachers to participate in seminars/workshops organised in other schools.

Teachers In-house Training:

We had given language and teaching training for teachers for effective classroom management skills and for developing new teaching strategies, on 1st May, 2019. The following areas had been given importance.

- **Subject based Microteaching**
- **Language development programs**
- **Audio and visual presentations, written handouts, interactive tasks, and group work**

The teachers enjoyed these activities and showed immense interest in learning new teaching methodologies. We organized these training programs to equip our teachers to be efficient.

Meeting

Periodic Meetings and Agendas:

We had conducted many short and effective periodic meetings to discuss about the students' growth, challenges in learning and teaching, coaching slow learners, plans for the day, students' feedback and other academic related discussions. Even teachers in charge for competitions, celebrations and special assemblies were also discussed during such meetings. We also discussed about following language policies, flowing discipline, cleanliness, thematic assemblies

and so on. It was also decided that the same procedure should be followed for the upcoming years for any meetings regards academics and beyond academics.

Achievements:

The laurels brought by our students in the academic year 2018-2019

District Level Yogasana Competition

Our students had participated in District level Yogasana Competition, organized in Sitheeshwara Polytechnic College, Arcot. They brought laurels to our school by winning first, second and third places respectively.
